

Michigan Business Travel Association Meeting

Wednesday, April 21st 2010 -  GoLightly Career & Technical Center - Detroit, Michigan

Thank you to GoLightly for hosting our meeting – We are proud to support Golightly’s Travel & Tourism Program

About Golightly: Students attend Golightly Career and Technical for two years enrolling in grades 10 and 11. Sixteen program offerings provide career planning and training for jobs that match their interests and abilities. Second year students participate in a five-week entrepreneurial class which explores the various aspects of Business Management. Practicum, internships, scholarships and cooperative education experiences are available. Preparation and financial aid assistance are provided for entrance into higher education/college. All students are both college prep and career prep. There are sixteen (16) program offerings: Business and Technology: Academy of Finance, **Academy of Travel and Tourism**, Call Center, Computer Graphics/Publishing Technology and Academy of Information Technology. Hospitality and Food Services: Baking and Pastry Arts, Diversified Hospitality and Food Services, Meatcutting and Charcuterie. Trade and Industry: Agriscience, Automotive Body Repair, Automotive Service Technology, Computer Aided Drafting, Biomedical Engineering, Law Enforcement and Mass Communication.
